I refer to your letter of June 27, 1978 to Mr. Frank Tumminia of the Department of State. Your letter was forwarded to this office for reply.

I am planning a visit to the People's Temple Agricultural Mission on August 1, 1978 and will contact your relatives at that time. I will inform you of the results of my visit.

Please accept my best wishes.

Sincerely,

Richard A. Mc Coy
American Consul
